Pray the Rosary for Vocations at Cabrini

Join the Serra Club of West Omaha for a beautiful *Holy Hour for Priests and Seminarians* at St. Frances Cabrini Catholic Church (1248 S. 10th Street in Omaha). We will gather at 5:30 pm in the Narthex followed by the Holy Hour at 6 pm. The Presider will be Fr. Tom Weisbecker, Chaplain of the Serra Club of West Omaha. Our priests are chosen by God to bring us the Sacraments which help us gain Heaven. Without them, we would not be able to worship at Holy Mass and receive Jesus in the Eucharist. Through our prayers, Priests and Seminarians can be strengthened to live their vocation well and as God calls them to live it—in a way that is holy and pleasing to Him. Please show your support and invite your family, friends, and guests to join us! If you are interested in helping to build the Church locally through vocations support, contact John Linco, Serra VP, at westomaha@serrainternational.org. Ixim: Spirit of Solidarity – Join Us on Mission

Since 2004, parishioners from across the Archdiocese of Omaha have gone to our sister diocese in Huehuetenango, Guatemala to work alongside our sisters and brothers in Christ. Ixim missionaries build bridges of understanding and solidarity by learning about the lives and realities of those in Huehuetenango. Over the years, Ixim missionaries have staffed medical clinics, taught lessons at local schools, applied fluoride treatments to children, assisted with reforestation projects, painted parish and school buildings, and helped implement clean water projects. Our 21st trip will be June 11 – June 22, 2026. Pastor's Letter

Dear Friends,

Pope Leo takes Tuesday off from his busy schedule, but even on his day off, he fields questions from journalists and tourists who have gone out to Castel Gandolfo in hopes of a closer encounter with the Pope than is possible at the Vatican.

This past Tuesday, he was asked about an incident that happened in Chicago. On November 1st, All Saints Day, Auxiliary Bishop Jose Maria Garcia-Maldonado celebrated Mass for hundreds of people gathered outside the Broadview ICE facility near Chicago. The bishop wanted to take communion to those being held at the ICE facility, but they were denied access. ICE said it was for "safety" reasons.

In response to the question, Pope Leo called on US authorities to consider and attend to the rights and especially the spiritual needs of immigrants under detention. "I think that there's a deep reflection that needs to be made in terms of what's happening," Leo said. "Many people who have lived for years and years and years, never causing problems, have been deeply affected by what's going on right now," the pontiff said. "The spiritual rights of people who have been detained should also be considered, and I would certainly invite the authorities to allow pastoral workers to attend to the needs of those people. Many times, they've been separated from their families for a good amount of time," Leo continued, "no one knows what's happening – but their own spiritual needs should be attended to."

The Pope went on to say, "I think in the first place, the role of the Church is to preach the Gospel, it's just a couple of days ago we heard Matthew's Gospel, chapter 25. Jesus says very clearly: At the end of the world, we're going to be asked, how did you receive the foreigner? Did you receive him and welcome him or not?"

The present Administration promised to remove violent, undocumented people from the United States. However, the reality is that they are spending most of their time chasing down people whose only crime is that they used false papers to obtain a job in the US. These are people who have lived productive and positive lives with their families for ten years or more.

The last time a comprehensive immigration bill passed Congress was during the Reagan Administration. A new immigration bill has been needed for some time but has never been able to obtain support from both parties. In the meantime, innocent people are barred from legal entry into the US from countries where the quota has been reached. There are different quotas for each type of entry, i.e. children, spouses, brothers and sisters, etc. You can find the waiting times for all the categories and countries of origin online. When I checked today, the wait time for some categories from Mexico were from 20 to 68 years. Can you imagine? You want to move to the US to care for your mother who is ill and in need of help and the American Embassy says come back in 49 years. The line is that long in front of you. With that reality, you might try to figure out a way to come without permission.

The present law and system is not working for those people coming from poor, populous countries – Mexico, Philippines, China, India. The law needs to be improved. However, while we wait for leaders who have the courage to change the law, people are being detained by ICE and not given the opportunity for spiritual care. They need our prayers and support. Please let your elected officials know that you stand with Pope Leo and want them to receive spiritual care.

Peace,

Fr. Damian

The Dedication of the Lateran Basilica—Stewardship

"Do you not know that you are the temple of God, and that the Spirit of God dwells within you?"
1 CORINTHIANS 3:16

Simply remembering that we are "temples of the Holy Spirit" should make our daily decision making relatively easy. If we truly want to imitate Jesus, then our words and actions should reflect the love, mercy, and forgiveness that flow from His Sacred Heart. Try it for one week. Try to remember that we are temples of the Holy Spirit and see how it affects the way that you live.
